

Educator's Award for Outstanding Use of Media Services

PURPOSE: To recognize individual teachers who have been exemplary in utilizing library/media services and have encouraged and promoted such activities by students.

CRITERIA: Awarded to acknowledge the importance of teacher involvement in successful library/media programs.

1. In what grade(s) or subject area(s) does this teacher involve media?
2. Describe the outstanding media used by the teacher that exemplifies a meritorious use of media different from regular media usage.
3. Give supportive documentation from the school media center and from the students. Include any other items that support the nomination.
