

Library Media Programs Support Award for a Government Official

PURPOSE: To recognize an individual government official at the local, state or national level who has demonstrated a major commitment to the advancement of library media services, as shown by the advocacy, support, or introduction of legislation or initiatives that promote library media programs.

CRITERIA: Awarded to promote professional awareness of the influential role of government officials.

1. What is this individual's position and what role has this individual had in advocating, funding or supporting legislation or initiatives that will promote library media programs?
2. Has this individual been recognized by any other groups for similar activities?
3. Has this individual been involved with any MAME projects? If so, please list.
