

Media Specialist/Teacher Collaboration Award

PURPOSE: To recognize exemplary collaboration between school library media specialist(s) and teacher(s) in implementing effective information literacy instruction.

CRITERIA: Awarded to a media specialist or team of media specialists who are MAME members and who work in a collaborative manner with a teacher or group of teachers to create a curriculum-related program, unit or event that incorporates media center resources, the research process, reading advocacy, literacy support and/or technology integration.

1. Briefly describe the curriculum-related program, unit or event.
2. Describe in detail the collaborative process, including the end result.
3. Provide supportive documentation, such as student work, assessments or products.
