

Outstanding Board of Education Award

Purpose: To recognize the responsible and influential role of Boards of Education in developing successful school library programs.

Criteria: Awarded to a district school board which has made decisions that indicate consistent and unique school library support.

1. Describe the type of instructional support the school board has provided the school library program that demonstrates outstanding leadership.
2. Describe the types of funding that have been established to further promote school library programs in the school district?
3. Describe how the school board supports and/or recognizes outstanding school library personnel in the district.
4. The nominator must be a current MAME member.
