

## School Librarian of the Year

**Purpose:** To recognize an individual in the school library field who exhibits personal leadership in fulfilling the roles of teacher, information specialist and instructional consultant.

**Criteria:** Provide evidence of personal leadership in fulfilling the roles of teacher, information specialist and instructional consultant as defined by the *AASL Standards for the 21st-Century Learner* by providing examples or statements from staff, parents, and students.

1. Provide evidence of professional involvement in the school library field by providing examples or statements from staff, parents, and students.
2. Provide evidence of ways that the nominee provides a quality school library program for K-12 students and teachers that reflects a personal philosophy of information technology application and utilization.
3. The nominee must be a current member of MAME
