

# **School Library Media Program of the Year**

**PURPOSE:** To recognize excellence in schools and personnel for providing library/media programs in elementary and/or secondary schools.

**CRITERIA:** Awarded to promote community awareness of outstanding services available to students and to emphasize the role of media resources and professionals in educational programs and in child development.

1. Describe and document why this program should be recognized as an outstanding example of library/media programming at the local level.
2. List the person(s) responsible for success of this program.
3. List appropriate staff and titles of other individuals who are involved in this library/media program, who are supportive, or who receive direct support as a result of this program.
