

## **School Library Media Specialist of the Year**

**PURPOSE:** To recognize an individual in the school library media field who is a current member of MAME and who exhibits personal leadership in fulfilling the roles of teacher, information specialist and instructional consultant.

**CRITERIA:**

1. Shows evidence of personal leadership in fulfilling the roles of teacher, information specialist and instructional consultant as defined by the *Standards for the 21st-Century Learner*.
2. Shows evidence of professional involvement in the school library media field.
3. Shows evidence of providing a quality school library media program for K-12 students and teachers that reflects a personal philosophy of information technology application and utilization.
